17:00-18:00 Right of BOC-ERC2015 building: Tianjin Quasi Hoasu (Invitation ONLY)

19:00-21:00 Beijing Executives Dinner | Venue: Crow Place Tianjin Wei Jiang Nan, opposite of Tianjin Beijing Convention and Exhibition Center(City Invitation Only)

Wednesday, Oct, 21st, 2015 AM

CHINA MINING Congress and Expo 2015 Opening Ceremony (Rm. Conference Hall N7, 1st Fl.)
Chair: Wang Min, Deputy Minister, Ministry of Land and Resources, P.R.C

09:00-09:45
- Ministry of Land and Resources,P.R.C
- Tianjin Municipal People's Government.
- H.E.Juan Carlos Capuñay, Ambassador of Peru to the People's Republic of China

10:30-11:00 Coffee Break (Exhibition Hall N1 N2 N5 1st Fl.)

Keynote Session on the Theme of CHINA MINING 2015: New Normal, New Opportunities, New Development (Rm. Conference Hall N7, 1st Fl.)
Chair: Peng Qiming, Chief Engineer, Ministry of Land and Resources, P.R.C

10:00-12:30
▶ Industry leaders and economists present keynote speeches on the theme of CHINA MINING 2015.
- Si Xinbo, Deputy General Manager, Silk Road.: Play role of Silk Road, promote international mining investment cooperation on the premise of mutual benefit and shared profit.
- Anita George, Senior Director, Energy & Extractives of the World Bank Group.: Global trends in mining and contribution of sustainable mining practices to international development.
- Li Shanquan, Vice President & Senior Fund Manager, Oppenheimer Funds: Long period of Mining Investment and price fluctuation of International commodities; Opportunities and challenges that Chinese enterprise will face then going out.
- Chen Jinghe, Chairman, Zijin Mining Group Co., Ltd.

14:00-16:30	Public Sector Governance and Corporate Social Responsibility: Challenges and Opportunities in Extractive Industries Chair: Christopher Sheridan, Practice Manager, Energy and Extractives Global Practice, the World Bank ▶ Provide an overview of the importance of good governance in managing rents of mining project investments. 1 Anita George, Director, Energy and Extractives Global Practice, World Bank, Welcome and Introduction 2 Jim Cust, Senior Economist, Extractives Sector, Energy and Extractives Global Practice, the World Bank 3 Ms. Laping Chen, Division Chief, Information Center of the Ministry of Land and Resources 4 Adam Dayan, Deputy Director, Natural Resource Governance Institute, UNDP 5 Ivor Sun, Division Chief, the China Chamber of Commerce of Metals, Minerals and Chemicals Importers and Exporters 6 Q&A	The Progress and Achievements in Geological Survey (1) Host: China Geological Survey Chair: Dr. Li Jinhu, Deputy Director General of China Geological Survey	The Progress and Achievements in Geological Survey (2) Host: China Geological Survey Chair: Dr. Li Jinhu, Deputy Director General of China Geological Survey ▶ Introduce China Geological Survey's progress in basic geological survey and resources evaluation, new discovery in prospecting, new technology, new method and international cooperation progress and achievements. 1 Fan Guangchang,Director,China Geological Survey: The introduction of New Programs of China Geological Survey 2 Wang Bugang,Vice President,Chinese Academy of Geological Sciences:The Methods and Practice of Mineral Resources Prospecting and Evaluation 3 Wang Yuanhuan,Professor level senior engineer,Development and Research Center of China Geological Survey:Application of geochemical data in the evaluation of mineral resources potential 4 Yan Zhengguo, Director,China Aerospace Survey & Remote Sensing Center: Big Data and Remote Sensing Application of Geographic data in the evaluation of mineral resources potential 5 Wang Dongsheng,Material resources research institute of Chinese Academy of Geological Sciences:Research on Mineral Resources Prospecting and Evaluation 6 Chen Hui, Deputy Director, General Engineer Office of China Geological Survey: Materials research of the achievement of geological survey	Geological Exploration & Mining Policies Host: Department of Mineral Resources, Department of Mineral Exploration, Department of Mining Management, Department of Cultivated Land Protection Department of Ministry of Land and Resources Chair: Yue Aiqin,Director,Department of Mining Management, Ministry of Land and Resources P.R.C. ▶ Improved new policies and new characteristics of mining right management policies which issued by Ministry of Land and Resources and promote mining revised regulations, Mineral Law and Land Law in the future. ▶ Make interactive activities with mining right people and investors, complemented their requirements and give answer to inquiries of policies problems 1 Yue Aiqin,Director,Department of Mining Management, Ministry of Land and Resources:Improved new policies and new characteristics of mining right management policies 2 Introduction of some latest management policies on mineral rights 3 Zhao Yanbing, Director, Office of Mineral Resources Strategic Research Institute of Ministry of Land and Resources:Mineral resources strategy and the reform of mineral rights management 4 Wang Wenjun, Deputy Director, General of Department of Mineral Resources Reserve of Ministry of Land and Resources of PRC:Relative introduction of mining rights transfer and the reform of mineral rights management 5 Pan Gongqi, Director, Department of Cultivated Land Protection Department of Ministry of Land and Resources of PRC: Relative introduction of land protection	Mining Sustainability Host: Department of Mineral Resources, Department of Mineral Exploration, Department of Mining Management, Department of Cultivated Land Protection of Ministry of Land and Resources Chair: Yue Aiqin,Director,Department of Mining Management, Ministry of Land and Resources P.R.C. **10:00-16:00 Opportunities for Southeast Asia Countries under the OBOR
